During such period, the exporter or the exporter's assignee may be required to make available to the Secretary of Agriculture or the Comptroller General of the United States, through their authorized representatives, records that pertain to transactions conducted outside the program, if, in the opinion of the GSM, such records would pertain directly to the review of transactions undertaken by the exporter in connection with the payment guarantee.

(f) *Responsibility of program participants.* It is the responsibility of all program participants to review, and fully acquaint themselves with, all regulations, Program Announcements, and Notices to Participants issued pursuant to this subpart. Applicants for payment guarantees are hereby on notice that they will be bound by any terms contained in applicable Program Announcements or Notices to Participants issued prior to the date of approval of a payment guarantee.

In cases where the designee is acting on behalf of the principal or the officer, the signature must be accompanied by: Word-ing indicating the delegation of authority or, in the alternative, by a certified copy of the delegation of authority; and the name and title of the author-

If courier services are desired for the return receipt, the exporter or exporter's assignee must also submit a self-addressed courier service order which includes the recipient's billing code for such service.

(h) *Officials not to benefit.* No member of or delegate to Congress, or Resident Commissioner, shall be admitted to any share or part of the payment guarantee or to any benefit that may arise therefrom, but this provision shall not be construed to extend to the payment guarantee if made with a corporation for its general benefit.

(i) *OMB control number assigned pursuant to the Paperwork Reduction Act.* The information requirements contained in this part (7 CFR part 1493, subpart D) have been approved by the Office of Management and Budget (OMB) in accordance with the provisions of 44 U.S.C. Subpart A—Export Enhancement Program Criteria

AUTHORITY: 7 U.S.C. 5663.

SOURCE: 56 FR 26324, June 7, 1991, unless otherwise noted.

§ 1494.10 General statement.

This subpart sets forth the criteria to be considered in evaluating and approving proposals for initiatives to facilitate export sales under the Commodity Credit Corporation's (CCC) Export Enhancement Program (EEP). These criteria are interrelated and will be considered together in order to select eligible commodities and eligible countries for EEP initiatives which will best meet the program's objectives. The objectives of the program are to discourage unfair trade practices by other countries, to increase U.S. agricultural commodity exports, and to encourage other countries exporting agricultural commodities to undertake serious negotiations on agricultural trade problems. Under the EEP, bonuses are made available by CCC to enable exporters to meet prevailing world prices for targeted commodities in targeted destinations. In the operation of the EEP, CCC will make reasonable efforts to avoid the displacement of usual marketings of U.S. agricultural commodities.

§ 1494.20 Criteria.

The criteria considered by CCC in reviewing proposals for initiatives will include, but not be limited to, the following:

7 CFR Ch. XIV (1–1–06 Edition)

(a) The expected contribution of proposed initiatives in furthering trade policy negotiations and, in particular, in furthering the U.S. trade policy negotiating strategy of countering competitors' subsidies and other unfair trade practices by displacing such countries' subsidized exports in targeted countries;

(b) The contribution which initiatives will make toward realizing U.S. agricultural export goals and, in particular, in developing, expanding, or maintaining markets for U.S. agricultural commodities;

(c) The effect that sales facilitated by initiatives would have on non-subsidizing exporters of agricultural products; and

(d) The subsidy requirements of proposed initiatives compared to the expected benefits.

Subpart B—Export Enhancement Program Operations

AUTHORITY: 15 U.S.C. 714c; 7 U.S.C. 5602, 5651, 5661, 5662, 5676.

§ 1494.101 General statement.

This subpart contains the regulations governing the operation of the Export Enhancement Program (EEP) of the Commodity Credit Corporation (CCC). CCC will, from time to time, announce, through public press release, initiatives to facilitate the export of U.S. agricultural commodities to targeted markets. The public press release, which will contain the name of a person for interested parties to contact, will be followed by the issuance of an Invitation for Offers (Invitation). Invitations will be issued pursuant to this subpart by the General Sales Manager (GSM) and will specify the eligible country(ies) (the targeted market), the unit of measure, the eligible commodity, the maximum quantity of the eligible commodity eligible for a CCC bonus, the quality specifications of the eligible commodity (including possible restrictions on type, kind, grade and/or class or other quality specifications), the eligible buyer(s), the method and
